Under penalties of perjury, I declare that I have examined this certification statement and, to the best of my knowledge and belief, the facts presented are true, correct and complete.

*Air conditioner and heat pump ratings are based on U.S. government standard tests of the models combined with a matching indoor coil. Efficiency ratings may vary with different coils. Similarly, efficiency ratings may vary when combined with different furnaces. This Certification was issued to taxpayer in reliance upon representations made by taxpayer regarding the product purchased and, where applicable, the combination of such product with the proper coil and/or furnace.

NOTE: The IRS is responsible for the implementation and administration of tax credits. Lennox Industries, Inc. expressly disclaims all liability for damages of any kind arising out of a taxpayer's claim for an energy efficiency tax credit or the unauthorized alteration of the data listed in this Certification Statement. There are important requirements and limitations for the homeowner to qualify for the tax credit. It is recommended that a tax professional be consulted to ensure all requirements are met by the homeowner. This information is subject to change without notice.
